

11/19/17

To: Department of New Jersey Judge Advocate.

Subject: Bylaw revision, Article VII Section 4 – Bylaws Distribution.

The current NJ bylaws distribution reads:

Each Detachment, Department Board of Trustees, National Headquarters and Auxiliary shall be provided, without charge, two (2) copies of the Department Bylaws and Administrative Procedures or published changes thereafter, each time they are printed. The Department Bylaws and Administrative Procedures are to be made available for examination to any member in good standing upon request.

Change to read:

The current edition of the Department Bylaws and Administrative Procedures along with any published changes shall be posted on the Department web site for the access and review by all members of the Department of New Jersey. Changes approved at the Department Convention shall be posted on the Department web site.

Rational:

This change will have our Bylaws match the National Bylaws Section 810. With the use of computers and our web site there is no longer a need to print hard copies. National has for sale hard copies of the National Bylaws for anyone that wants.

Respectfully Submitted
