The Commandant's Corner

The NJ Department Convention was held June 8,9,10. Our Detachment was awarded the Department Meritorious Unit Award w/ Streamer and Eagle Scout Certificate. Individual award recipients were: Joe Bisbing (VAVS), Leo Collins and Kevin Mallon (Distinguished Service Award). Congratulations to all.

Well, it's July and summer is in full swing! I know we all have plans; vacations, family obligations, etc. but please remember your commitment to the Detachment and the League. Our fund raisers continue throughout the summer and a few hours here and there are a tremendous help. Without the fund raisers, there are no funds to help other Marines!

Okay, so maybe fund raising is not your thing. How else can you help? You could start by attending the meetings. You can get some idea of what's going on from the newsletter, but you can't vote or make your views heard if you're not at the meetings! How about recruiting new Members? How many times have you encountered former Marines (or FMF Corpsmen) and invited them to join our Detachment? We have business cards that say "Marines Wanted". At least hand them a card (get cards from Bob Bethel or Dave Huegel). We also need Associate Members, people who have served in other branches or, perhaps have never been in the military. They may join as Associate Members.

What about serving as a Detachment Officer? Have you considered that? Nominations for Officers are starting in September and we need people to serve. Do you want to make a difference? Put your name forward.

Finally, please note: NO SCHEDULED MEETING FOR THE MONTH OF JULY!

The Chaplain's Corner

Please contact Mabel Schaefer @ 609-465-1927, and inform her of any Marine or their immediate family member that is sick or in distress. Please leave your name and contact number.

Sick and in distress: Please keep them in your thoughts and prayers: Joe Moke, Diane Feliciano, Carl Waterman, Bill Layton, Larry Christy, Bob Wernik, John Seubert.
